

SATURDAY COMPETITION

Attention: All Umpires and Mentors

Re: Saturday Netball in 2020

As part of the restructuring of the Saturday Competition on Saturdays the Umpiring program will have a new process and we invite new and current umpires and mentors to be part of this new and exciting initiative.

Amy Coloretti, Karen Bennett and Jenny Madden will lead the umpire's program utilising the expertise and experience of current umpire supervisors and convenors.

Many of the mentors and umpires will already be a part of the Mountain District competition umpiring or mentoring on a Saturday and we would like you to register your interest umpire or mentor on a Saturday in 2020 also.

You can either complete the attached form and return it to the Saturday office over the coming weeks or register online (further information to follow) so that we can keep you further informed for the 2020 year. There will be another opportunity to register on the 15th February during the day.

All payments will be made by electronic transfer and we will require you to provide us with bank details as part of the sign up for 2020 umpiring or mentoring.

For umpires 18 years and over, please make sure you also link your WWCC and Netball Victoria Membership to Mountain District Netball Association.

If you have any further questions regarding this, please don't hesitate to contact me or ask a person on the Umpire Administration group.

Regards

Amy Coloretti
